Welcome

Kirsty Donnelly in the chair welcomed everyone to the meeting and thanked everyone for attending. The Minutes of the last meeting were proposed by Elaine Blue and seconded by Denise Anderson.

Treasurer's Report

Neither Stephen McFeeley nor Pamela Noble were able to attend and an up-to-date report would be given to the Committee at next month's meeting. Kirsty did however confirm that a few outstanding invoices regarding lets had now been paid.

Letting Secretary's Report

Kirsty confirmed that since the last meeting several parties and other one off lets had been booked. Kirsty advised that a request had been made by the workers of our local Spar to host a Quiz Night in the Centre on Saturday 13th May and proposed to the Committee that this let be given free of charge as its purpose is to raise money for the upcoming charity skydive and the Committee agreed with this.

Secretary's Report

Elaine Blue confirmed that an account had now been set up with Bookers Cash & Carry but that before we could use a cheque to pay for goods we would have to register our bank account details with them.

Facility Manager's Report

Iain Buchan was unable to attend the meeting but in his absence Kirsty confirmed that the flooring to be used in the beer garden had arrived, the electrician had been to the Centre and fully upgraded our power supply to cope with extra demand, in particular the Gala and that the Council had cleaned the graffiti from the outside walls. Kirsty also confirmed that a new lock had been put on the back cupboard after it was broken into and tuck shop stock belonging to the Youth Club was stolen. It was confirmed that

a letter be sent to all user groups advising that they need to be more diligent with strangers coming into the Centre during their let - with regard to belongings but also with regard to knowing who is in the building in the event of a fire. Kirsty confirmed that she had spoken with Jim Glass, Janitor of the School, regarding a mat for the front door and that he confirmed that the mat we were referring to was one that would be set into the floor - this would need to be looked into further as the mat needed would have to be replaced on a regular basis.

Thank you night - Gala 2005 (6th May 2006)

The thank you night for volunteers who helped at last year's Gala was discussed again. Arrangements were confirmed. Anyone who helped at last year's Gala is invited to come along to allow the Association to show their appreciation for all their hard work last year - without which our Gala would not be such a great community success.

Additionally, anyone willing to help at this year's Gala, whether they helped last year or not, is invited to attend. There are various jobs from an hour or two manning the bouncy castle to face painting, working on the bar or even helping to clear up - a little time from everyone means less big jobs needing done by any one individual. Anyone able to help at this year's Gala but unable to make it on 6th May 2006 please contact Kirsty on 520738 to confirm what you can help with and when.
