Letting Secretary's Report
Kirsty advised that party lets were continuing to come in. Kirsty also advised that there had recently been a disco and given that we had no DJ's the brother of the girl having the disco had stepped in and that he had confirmed that he may be able to help us out until new DJs were found.

Secretary's Report
Elaine Blue had nothing to report.

Facility Manager's Report
Iain Buchan had nothing to report.

Parent Group Representatives Business
No business.

Other Business
The issue of the car park at the shops was raised again. It was confirmed that although this had been discussed before it was an issue for the Factors of the property and that there was not much that we as a Community Association could do at present. It was however decided that it may be appropriate to send a letter to the Factors stating our concerns re the state of disrepair of the car park.

The issue of the pitch next to the school was discussed again – although in the original plans for the school a new Astroturf pitch was to be made it now seems that this will merely be a tidy up of the blaze pitch that already exists – although somewhat smaller than before. After much discussion it was felt that this was actually a matter that should be dealt with by the Parent Council with input from the AFD guys.

Christmas Light Switch on
It was confirmed that this years' light switch on would take place on Friday 30th November – time details will follow. Obviously details of where the tree would go this year would need to be discussed at length given that it would not be able to be in the school this year. Initial thoughts were that the tree would be placed on the grass at the top of the car park just before entering the car park. Tree decoration was discussed again and it is hoped that this year the Village will benefit from some new decorations/lights.

Gala 2008
Preliminary discussions re. next year's Gala started. Willie Wilson from Inverclyde Council attended this months' meeting to give some general advice and help.

Next Meeting
It was confirmed that the next meeting would take place at the Rogues Room, Inverkip Hotel on Wednesday 7th November 2007 at 7.30pm.
