Elaine Blue had nothing to report.

Facility Manager's Report

Iain Buchan confirmed that the Disco equipment we currently use is in need of being replaced. The Committee discussed this and it was decided that Iain should look into this and find out how much it would cost for new Disco equipment.

Kirsty confirmed that a member of the community had donated a large gazebo to the Association – the Committee welcomed this donation and it was decided that a dry run of putting the gazebo up prior to this year's Gala would be a good idea.

The possibility of having an outside tap was raised and this was discussed by the Committee. It was decided that an outside tap was not a viable idea as it was envisaged that the tap may be vandalised or may be left on.

Parent Group Representatives Business

The Committee discussed the lack of parent group representatives and it was decided that Denise Anderson would be parent group representative for all user groups using the Centre. Denise confirmed that she was happy to do this and would advise our user groups accordingly.

Christmas Light Switch On

It was confirmed that £114.32 had been raised from donations at the Christmas Light Switch On. Kirsty advised that she had been speaking with Wemyss Bay Primary School and she was discussing the possibility of using the money raised to go towards the Malawi project which was ongoing at the school.

Iain Buchan also confirmed that AFD Football Development had old football strips and that these would be available to be donated to Malawi as well.

Other Business

Bobbie McCabe confirmed that she had finally resolved the issue with HSS from last year's Gala – we hired tables from HSS which were completely substandard and that we were not able to use but HSS proceeded to cash our cheque – Bobbie confirmed that she had been in discussion with HSS for some time now and have finally had confirmation that we would be fully reimbursed.

Gala 2008

Bobbie confirmed that the Gazebo for next year's Gala was booked. It was decided that a separate small Gala meeting would take place on Tuesday 15th January and that an update would be given to the Committee at the next meeting.

It was discussed and decided that we would ask the Council to remove the railings around the car park after the school had moved back into the newly refurbished school.

Next Meeting

It was confirmed that the next meeting would take place on Monday 18th February 2008 at 7.30pm in the Rogues Room, Inverkip Hotel.
