Elaine Blue had nothing to report.

Facility Manager's Report

Alex Hardie was unable to attend. In his absence the Committee were advised that new lights had been fitted outside the Community Centre but that unfortunately these had been ripped off – although the Council have now fixed these lights.

Parent Group Representatives Business

It was noted that the shutters in the kitchen were not working properly again. William Rice confirmed that he would take a look at the shutters.

Other Business

Bobbie McCabe suggested to the Committee that rather than the Christmas Light Switch On taking place solely on the Friday night that the Association think of extending this and making it run over the weekend. Friday night would still be the usual light switch on but on the Saturday it would be a craft day with various stalls selling small crafts and Sunday would be for Christmas card drop-offs. The Association confirmed that this seemed a good idea and would be discussed in greater detail before this year's light switch on.

AGM

It was confirmed that the Association's AGM would take place on Sunday 21st February 2010 at 7pm within the Community Centre. Kirsty Donnelly confirmed that she would be stepping down as Chairperson and there were a number of other positions available. The AGM is open to everyone within the village and it is hoped that a new Chairperson can be found otherwise the running of the Community Centre will revert back to Inverclyde Council.

Next Meeting

The next meeting will follow on from the AGM on 21st February 2010.
