Wemyss Bay Community Association – From our house to yours

We would like to wish you all a very merry Christmas and a happy and healthy New Year.

We meet on the first Wednesday of the month in the Inverkip Hotel. If you are interested in finding out what is going on in the village or the upcoming events we are organising please come along. We are a friendly group who make all our visitors most welcome.

Any articles, information or queries should be directed to villagenews@wemyssbay.net or placed in the village news folder in the Spar. The closing date for the February edition will be Friday 21st January at 6.00pm.

S1 Panto visit to Kings Theatre, Glasgow

Waste collection

Your black bin will be collected on Tuesdays the 7th & 21st December. Your blue and brown bins will be emptied on Tuesdays 14th & 28th December.

Please check the Greenock Telegraph for any changes to the service over the Christmas and New Year period.

Country Club

As already advised no open meetings will be held in December but those to be held in January at 2.30pm in The Chart Room, Kip Marina, Inverkip are as follows:

Wednesday 12th – Mrs Elizabeth Burns on the subject of “The Scottish Tourist Guides Association”

Wednesday 26th – Mr Alan Grant on the subject of “Little Stories from the Courts”

All members, old and new, and visitors will be made most welcome. The subscription is £10 per annum and £1 for visitors. Further details may be obtained from the Secretary Ann Haig on tel 522316.

Ardgowan Football Development

Christmas Fun Day

Our Christmas Fun Day, which brings our 2010 AFD session to a close, will be held in Greenock Sports Centre (Nelson Street) on Sunday 5th December from 1pm – 4pm. Full AFD kit should be worn for the annual club photograph.

Primary 1 – 4 1:00pm – 2:15pm

Club Photo 2:30pm

Primary 5 – 7 2:45pm – 4:00pm

AFD 2011 Calendar

The AFD 2011 Calendar will be available for sale on Sunday 28th November (Community Centre), at the Christmas Fun Day on Sunday 5th December or by contacting John Reid on 522431. The calendar is full colour and high quality and includes photographs of all current AFD sessions as well as a couple of AFD photos from years gone by. Calendar price is £3 or £10 for 4.

AFD £1,000 Grand Draw

The annual AFD £1,000 Draw will take place at our Race Night on Friday 29th February 2011. As usual all prizes will be worth at least £50 with this year's top prize being £1,010 to recognise our 10th anniversary.

ATFC

The ATFC Squads continue to go from strength to strength with both the Under 11's and the Under 12's playing excellent football and competing at the top end of their respective leagues. We also have a terrific Under 10 Squad who will play friendly matches until they progress to 7 A Side League football next year. ATFC is well respected throughout Scotland for the quality of the football as well as the conduct of the boys, coaches and parents. Well done to all involved. A special mention should go to the ATFC Coaches who give up time to coach midweek, Saturday and Sunday as well as dealing with the administration that goes with league football.

We would like to thank parents who supported the recent ATFC Race Night and would ask you all to watch out for the boys when they are bag packing in Tesco and Marks & Spencer in December.

Well Done Aaron!

Young Aaron McCue from our P6 Session raised £183 for the ATFC Under 11 Squad by running in the 1.5k Junior Great Scottish Run. Well done Aaron and thanks to everyone who sponsored him.

Seasons Greetings

The AFD Coaches would like to take this opportunity to wish you and yours all the best this Christmas and in 2011. AFD Sunday Sessions start again on 9th January 2011.

Visit www.ardgowanfd.co.uk for more information on AFD and ATFC.

BT Infinity

For those of you who aren't already aware of BT Infinity, it is BT's next generation broadband network designed to offer considerably faster broadband speeds to customers all around the country.

Obviously it will take quite a few years to implement this nationwide and as was the case with broadband all those years back, villages are normally last to receive an upgrade.

However, BT are offering everybody the chance to nominate their local exchange for the upgrade through their "Race To Infinity" program, regardless of whether you live in a big city or a small village.

I would just like to take this opportunity to encourage everybody to visit <http://www.racetoinfinity.bt.com/> and take a few minutes to find out more about BT Infinity and register our local exchange for the upgrade.

Let's keep Wemyss Bay on the cutting edge of Technology!"

Bible Club and Youth Group

Well done to five of our young people who took part in a Sports "Night of Champions" in Barrhead at the start of November. This month we will be holding our Christmas parties which are always fun occasions! We are also planning an outing for Youth Group over the Christmas holidays, full details will be available at the club. Both clubs will resume on Monday 10th January 2011 in the new year. On behalf of Bible Club and Youth Group we wish you all a great Christmas and New Year! The clubs are run by Strathclyde Bible Ministries (SBM) and there are no fees for either club. If you would like further information, please contact Stephen Renton on 01505 355994.

Stuart McMillan MSP

Alcohol Bill

Last week the Parliament approved a heavily scaled-back Alcohol Bill. It is deeply disappointing that the opposition parties have chosen to play politics with this most serious of issues, and reject minimum pricing. Thanks to them, there is now very little in the Bill that will tackle one of the central issues causing over-consumption and that is price.

The introduction of a 45p minimum unit price on alcohol would have been a bold measure to show that Scotland is ready to face up to the issue of alcohol misuse and improve our public health.

A78 Trunk Road – Inverkip Junction

Since my previous column, I have been inundated with correspondence from constituents who are very concerned that the new road markings have created a change in priority and the work undertaken has made things worse on the A78 Inverkip Junction.

I am very concerned with the way developments have occurred and believe its vital the views of the residents of Inverkip and Wemyss Bay are put forward.

Therefore, I have written to the Minister for Transport to strongly request that a meeting be arranged at the earliest, most suitable, occasion between him and I in-order for me to convey the deeply felt concerns of my constituents.

Finally, I would like to wish Village News readers a Merry Christmas and a Happy New Year.

Hello – from Wemyss Bay Primary!

Only half way through November and we have taken part in lots of events. We are all looking forward to a very busy end of November and December. There will be the book fair, Primary 7 Fun Day, Christmas Cracker, turning on the tree lights, Christmas parties and discos, and the Christmas service and Nativity Reports written by Primary 5.
Hallowe'en

On Friday, 29th October, we had a special day for Hallowe'en. We came to school in costume and had a parade in the hall for our parents. Class by class, we marched round the hall to spooky music. Mrs Irvine and Miss Fleming chose a winner for the best costume in each class. The prizes were choosing a different class to go to for Golden Time, going early for lunch, having extra time on the football pitch or having tea and pancakes with Mrs Irvine.

After a special Hallowe'en lunch Primary 1 had a party in the hall while the other classes were in their classrooms dookin' for apples, making paper pumpkin lanterns and telling scary stories. Both Nursery classes had Hallowe'en parties.

In the evening the PTA ran two Hallowe'en discos, one for Primaries 1 to 3 and then one for Primaries 4 to 7. Once again there were prizes for the best costumes. The prizes were books. Everyone enjoyed the special Hallowe'en day.

Education for Work Week

Last week was Education for Work Week and all the classes in Wemyss Bay Primary and it is a chance for everyone to learn about different jobs. Each class had a different topic and this is what they were.

Nursery and Primary 3 – Where our food comes from

Primary 1 – The Hospital

Primary 2 – Healthy Living

Primary 4 – Buildings of the Future

Primary 5 – Law and Order

Primary 6 – Energy, renewable sources

Primary 7 – Travel and Tourism in Scotland

Each class had visitors to help them. Two hairdressers went to Primary 2 to tell them how to keep their hair healthy and they tried Tai Chi and Zumba. Primary 6 had a visit from Mr Ramsay, a science teacher at Inverclyde Academy, who had an experiment for them. They had to work out the best shape for the blades on a wind turbine. Primary 4 had visitors from the architects who are designing the buildings for the Commonwealth Games in Glasgow. Lots of parents came into school to tell the children about their jobs.

Classes also went out on visits. Primary 5 went to the Sheriff Court in Greenock, Primary 3 went to Auld's the Bakers in Greenock, Primary 7 went on the tourist trip round Inverclyde that the passengers on the cruise ships can go on and Primary 2 went to Stepwell and Fun World.

On Friday morning we had an exhibition in the hall for our parents and all the classes to come and find out what we had been learning. Each class had a display board with information about what we had learned and we had to tell anyone who asked us about our week. In the afternoon each class gave a presentation to parents telling them about what we had learned. It was a good week and everyone had fun.

Scots Poetry Competition

Last week we had our annual Scots Poetry Competition. Primaries 4 to 7 each had to learn a Scots poem at home to take part. Primary 4's poem was called 'Snawman', Primary 5's was 'Twa-leggit Mice', Primary 6's was 'Street Talk' and Primary 7's was 'A Dug A Dug'.

After the classes had learned their poems it was time for the heats. Pupils could decide if they wanted to take part but only five pupils from each class got through to the finals. The heats were on Wednesday and the finals were on Friday. The teachers were the judges for the heats and for the finals we had a guest judge, Ms Varrie, and Mrs Irvine.

The winners were Danae Lavery, Primary 4, Jack Hearl, Primary 5, Lauren Hodge, Primary 6, and Sophie McDougall, Primary 7. Ms Varrie said it had been very difficult to choose winners as everyone had been so good. The winners' prizes were a trophy to keep for a year and a Scots book but all the finalists got a certificate to say that they took part.

Robert Goes to Pittodrie

On 16th November Robert Innes of Primary 5 went to Pittodrie Stadium in Aberdeen to be the mascot at the Scotland game against the Faroe Islands. The first thing Robert did when he arrived was have his tea and then he visited the Club gift shop. It was then time for Robert to go to the changing room to put on his Scotland kit. He had his photograph taken on the pitch and met Darren Fletcher. He went back to the changing room to have some crisps and juice. It was time for Robert to walk out onto the pitch with the players. Robert walked out with one of the players from the Faroe Islands. When the National Anthems had been played Robert left the pitch and went into the stand to watch the game. After the match it was a long drive home and Robert and his dad did not get back until 2a.m. Although he was tired Robert was still at school on time on Wednesday.

Benchball Tournament

On 18th November Primary 5 took part in a benchball tournament at Sacred Heart Primary in Greenock. For six weeks before the tournament they had been training at gym with their teacher Mrs Steele, Mrs Cassidy and Emma, Active Health Co-ordinator. The team for the tournament was picked. They were Simon Drainer, Adam Galbraith, Jaye Gourley, Jack Hearl, Robert Innes, Eve Lynch, Katie McAskill and Rebecca McConnachie.

When we arrived at Sacred Heart we were shown into the gym hall to wait for the other teams. The schools taking part were Glenburn, Inverkip Primary, St Gabriel's, Sacred Heart and Wemyss Bay. Every school had to play four matches. You got three points for a win, two points for a draw and one point if you lost. We only lost one game against Inverkip. At the end Emma told us the results: which were Inverkip was winner, Wemyss Bay was second with one point less, Glenburn was third, St Gabriel's was fourth and the hosts Sacred Heart came fifth. All of the pupils got a certificate for taking part and Inverkip will go through to the finals. Before we left a teacher at Sacred Heart told us that we had come first in our manners and our sportsmanship.

St Columba's High School, Gourock. - December dates for your diary.

Monday 6th	Fourth year prelim exams begin
Tuesday 7th	First year parents' evening. 4.00pm – 6.15pm

P4 - P7 Youth Club

The Youth Club will close on Thursday 2nd December for the Christmas break and resume on Thursday 13th January. The Community Centre will be decorated for the Christmas Lights Night on Friday 3rd December and once this has happened, we cannot continue as we would run a very high risk of causing damage to the decorations, or worse, injury to a child.

Please remember that we desperately need additional adult help. Alternatively we need a couple of adults available to step in at very short notice. If you can help, please get in touch with me as soon as possible. We will restart after the holidays but, without additional help, this is very much on a week-to-week basis and you can expect regular cancellations.

Improve your CV

Thinking of a career in education, childcare, medicine, nursing, social-work? Considering applying for college or university? Looking for promotion?

Having the right information on your CV is vital. These days, employers are looking for more than just academic qualifications. Increasingly they look for applicants who are involved in voluntary work. In many cases, voluntary work can give you valuable skills which transfer over to the workplace. Working with others, patience, tolerance, problem solving, mediation, leadership skills – you will utilise all these every week at the p4 – p7 Youth Club. We meet in the Community Centre during term time from 7.00 - 8.15pm on Thursday evenings. With an average of 50 children each week, we desperately need new helpers and, in return, you add to your CV. If you are interested in getting involved call Eila on 529375.

Remember, if you are not available on Thursday evenings, there are plenty other local voluntary organisations crying out for help so get in touch with them directly.

Duncan MacNeil

Where do laws come from?

That was the question the bright-eyed primary five pupils from Wemyss Bay Primary posed to me on my recent visit to the school.

As part of Education for Work Week, which gets pupils looking at future careers, the school had been looking at the topic of Law.

Police and lawyers had been up before me to give their experiences of the law and then it was my turn for a grilling, as a 'law-maker' in the Scottish Parliament.

We were able to set up mock committees in the classroom to deal with ideas for laws before the whole class came together to vote on whether it should pass into law or not, just like the real parliamentary journey our legislation goes through.

I was delighted to field their questions and I was impressed by their knowledge of the subject.

As a politician, I am used to taking tough questions, whether it be through reporters, constituents or fellow parliamentarians and I have had to learn to think on my feet.

But you could never fully prepare for a question and answer session with primary school children because they tend to be so unpredictable.

Fortunately, I managed to come through the session unscathed and the pupils were a credit to the school, their teachers and the head, Alison Irvine.

KIDS PUZZLES

SUDOKU

			4			5		
		8		6				
	7		5				6	3
5		3		7			8	
	8		9			7		
					1	2	5	
3				2	4			1
		7	1		6			
		6				3		

Why not test your brain and try this!

								4
	9	4			2	6		5
	5						9	
			6	9				
			4			3		2
	8						6	
	3			1			4	
		2			3	8	1	6
5	4			6			3	7

Sudoku is straightforward once you get the hang of it and relies on logic to solve it. Place a number from 1-9 in each empty square so that each row, each column and each 3x3 block contains the numbers 1-9. (This means that no number can appear twice in any row, column or 3x3 block.) Good Luck.

And Now For the Small Print

Please note that we do our best to ensure that adverts are neither misleading or offensive, however the appearance of an advertisement in the Village News does not imply that either the editors or the Community Association endorse the advertiser and / or their products / services.
