Wemyss Bay Community Association

We meet on the first Wednesday of the month in the Inverkip Hotel at 7pm. If you are interested in finding out what is going on in the village or the upcoming events we are organising please come along. We are a friendly group who make all our visitors most welcome.

Any articles, information or queries should be directed to villagenews@wemyssbay.net or placed in the village news folder in the Spar. The closing date for the April edition will be Friday 18th March at 6.00pm.

Waste collection

Your black bin will be collected on Tuesdays the 8th & 22nd March. Your blue and brown bins will be emptied on Tuesdays 1st, 15th & 28th March.

Stuart McMillan MSP

I recently had the opportunity to discuss a number of issues with the Transport Minister one of which was the A78 Trunk Road – Inverkip Junction. During the discussions I had the opportunity to provide the Minister with more information from my constituents relating to road safety on the A78 Trunk Road. I raised my constituent's concerns in-relation to the new line markings at the Inverkip Junction and their views that either a roundabout or traffic lights should be introduced at the junction. In addition, I highlighted the importance that improvements be undertaken at the Bankfoot roundabout. This has been repeatedly raised with Transport Scotland by various groups including the local Community Council for some time now. The Minister indicated he is happy to examine these issues again.

However, since my discussions with the Minister I have been made aware, by a number of constituents, of an accident at the junction. Therefore, I have written again to the Minister to make him aware of this incident and the importance of improved road safety on the A78 Trunk Road – Inverkip Junction.

KIDS PUZZLES

SUDOKU

Why not test your brain and try this!

9		1			3

		4		9		5		2
					4		7	
7				3	1		5	
8		1	5			2		

Sudoku is straightforward once you get the hang of it and relies on logic to solve it. Place a number from 1-9 in each empty square so that each row, each column and each 3x3 block contains the numbers 1-9. (This means that no number can appear twice in any row, column or 3x3 block.) Good Luck.
